

Dear Parents,

RE: Instrumental Music 2017

I have employed a very highly regarded teacher with a passion and special interest in music and musical instruments for commencement in 2017. Your children will be fortunate enough to be taught by Mr Josh Newton-Webb. Josh is a talented music teacher and musician who makes his own musical instruments and has had extraordinary success in schools.

Josh will not only teach music and musical instruments to all students, he will also be running music clubs for our students who are passionate about their learning in this area of the Arts.

As you are aware, in the absence of a music teacher, I provided opportunity for individual and group coaching of students through the Primary Music Institute (PMI) during school hours. Can you please indicate whether you need this to continue for your child given the employment of a music teacher in 2017. I will need to confirm our arrangements with the Primary Music Institute before the end of term 2016.

Your help with this matter is greatly appreciated. Thanks.

Yours sincerely
