

Dear Parent

This is to inform you of a staffing change that will take place in Room 3.1 and 3.3, as of Monday 23 May. An additional teacher, Mrs Jaye Bennett, has been allocated to work across both classrooms from Monday to Thursday. This will enable the students from the two classes to be grouped into smaller numbers for specific learning areas, in particular numeracy and literacy. This will benefit the students by providing smaller teaching and learning groups. While your child may have a different teacher for specific subjects on some days, they will remain based in their current room with their existing classroom teacher. If you have any questions regarding this please contact me at the school.

Kind regards

RUSSELL NEWBOUND  
ASSISTANT PRINCIPAL
