

Dear Parents

On Friday 10th June 2016 Golden Bay Primary will be supporting ***Pirate Day Friday***. Pirate Day Friday is Australia's national pirate dress up day, which raises awareness and funds for research into the prevention and cure of childhood brain cancer.

If you would like your child to participate in this activity please send them to school on Friday 10th June dressed up as a pirate. Costumes do not need to be purchased. Many creative costumes can be made from items you may have at home – an eye patch made from card board, a tin foil belt or a hat made out of newspaper. We look forward to seeing what you can come up with!

Please send in a gold coin donation on the day to show your support for the research into the prevention and cure of childhood brain cancers.

Thank you for your support.
