

Dear Year 2 Parents,

RE: School Musical – Kids In Space

As you are aware, our whole school musical will be at the Mandurah Performing Arts Centre on Thursday 11 August. Tickets can be purchased from our school Administration Office.

We are currently making costumes for the cast and would appreciate your support by supplying your class teacher with the following - **leggings and a black tee (little patterns or decorative diamantes will be fine if they already have something like that) for the girls and a pair of black pants (track pants or other) for the boys.**

We already have the tee shirts for the boys and we are currently completing the coloured 'over skirt' for the girls.

Please don't hesitate to contact your class teacher with any questions regarding the costume.

If these items can be supplied by **Friday 22 July** it would help enormously.

Thank you for your support of our school and the Arts curriculum.

Yours sincerely

PETA LAWRENCE
