

Dear Parents,

RE: - Kindergarten Playground

The Kindergarten—Pre-primary playground equipment is designed to be suitable for children of Kindergarten age through to year 1.

The equipment requires motor skills that most toddlers are not fully equipped to manage.

In the interest of continued safety, I ask that children not yet attending school do not play on the equipment before or after school as injury may occur causing upset to the child and you as a parent.

I've also noted that there is an increasing number of parents remaining after school to use this play equipment without full supervision of children. If you choose to remain, please watch your Kindergarten to Year 1 child very carefully.

With an increase in the number of students attending our school in 2017 this play equipment will not be in use before and after school to ensure child safety.

Thank you for your understanding and support with this matter. Appreciated.

Yours Sincerely

PETA LAWRENCE
