

PINK STUMPS DAY

Pink Stumps Day is a fundraising event for the McGrath Foundation aimed at providing Breast Cancer Nurses in communities around Australia.

To support this very worthy cause, Golden Bay Primary will be holding a PINK STUMPS DAY on Wednesday March 29.

For a gold coin donation, students and staff may wear appropriate pink clothes to school and colour their hair pink.

There will be a pink game of cricket at lunchtime between staff and students in the leadership group.

We look forward to this being a fun day that raises funds and awareness for the McGrath Foundation.

together we can make a difference®
