

Dear parents

We are changing classrooms as of Monday 20 March. Our new room will be the transportable classroom that was recently installed in the gravelled area near to our existing classroom. This will enable our current room to be utilised for Pre-primary classes, as required.

We are very excited to be able to use this brand new classroom. We have not been able to move until now as the desks and chairs have only recently been delivered. We will move our personal items across by Friday afternoon, so that we are ready to start in our new room on Monday. Our new classroom will be known as T1.

Thank you
