

Dear Parents,

RE: Ready Readers Reading Support Program

At Golden Bay Primary School we value the importance of early intervention in Reading and Writing and believe that every child has the chance to become successful and confident learners. We are committed to providing learning experiences for children's specific abilities.

We have designed and created a reading support program which provides one-on-one reading with a school volunteer. We are currently seeking new volunteers for this fantastic program.

Volunteers who choose to be part of this program are provided with training and support. All books, question cards and resources are provided by the school.

Please join us at a Ready Reader Information Session on **Wednesday 21 February** at **10am** in the **Conference Room**.

We look forward to working in partnership with you to support our students. We hope to see you there!
