

Dear Parents,

***RE: PARENT INFORMATION NIGHT***

Please accept my invitation to meet with the Executive Team and your classroom teachers on **Tuesday 16 February 2016** for our first information night.

The meeting will start in the library at 5pm with the Executive Team providing an overview for 2016. Following that you'll go with your child's classroom teacher to hear more about the planned curriculum and activities specific to your child for 2016. If you have children in more than one class teachers can provide you with a copy of their information and would welcome a discussion if needed.

The P&C have organised a Sausage Sizzle with drinks to be available on the evening. Money raised will be donated to the school to support the Year 6 Study Tour.

Kind regards

PETA LAWRENCE
