

The Great Golden Bay Spelling Bee

Dear Parents and community

Golden Bay Primary School and our Parents & Citizen's Association are conducting a Spelling Bee this term as a fundraising activity. The funds raised will be used towards the purchase additional playground equipment and shade.

Children will be seeking sponsorship from family and friends. They will be learning a list of spelling words and will participate in a Spelling Bee in their class. The first three place getters in each class will receive a special certificate and the older children will participate in a final Spelling Bee on Thursday 15 September. The school champion will receive a medallion.

For every \$10 raised by the children they will receive an entry to the raffle to win a brand new bike and helmet. For example, if a child raised a total of \$43 they would receive four raffle entries. The more they raise the greater their chance to win! The bike and helmet has been donated by Paul Papalia MLA. It can be exchanged for a different colour or style.

We ask parents to encourage their children to seek sponsorship from family and friends only. *We do not endorse children doorknocking around their neighbourhood to seek additional sponsorship.*

The attached form is to be used to record sponsorships. These need to be returned to the class teacher, along with all money raised, by Thursday 15 September. Please ensure that money is securely stored in an envelope or plastic money bag, clearly labelled with the amount raised and the child's name.

Thank you for your support of this fundraising activity.
