

Gymbus gymnastics program – Term 2

Dear Parents

As a part of the Physical Education Program in term 2 we are excited to inform you that we will be having a Gymnastics Program conducted by the Gymbus group. They will be visiting every Wednesday and Thursday for the first six weeks of term. Each class from year 1 to 6 will participate in the weekly lessons. Rooms 3.2, I.E, 3.1, 3.4, 4.1, 4.2 and T1 will be on Wednesdays, commencing on 26 April and 2.3, 2.4, 3.3, 2.1 and 2.2 will be on Thursdays, commencing on 27 April.

The cost of this incursion is approximately \$11000. This will be covered by the school as a cost offset by facility hire (OSH Club). We believe that the skills the children will be able to develop are a very important part of their physical education program. The instructors are highly qualified and provide all necessary equipment.

Children are asked to wear no jewellery or watches during their lesson. Skorts and shorts are strongly suggested given the types of activities during the Gymbus sessions.

Thank you

PETA LAWRENCE
