

**PARENT INFORMATION FORM
FOR SCHOOL INCURSION –
Science Alive!**

Dear Parent/Guardian

I am pleased to provide you with the following details regarding an upcoming incursion **Science Alive!** on Thursday July 28, 2016.

Science Alive! is a travelling Science show presenting highly engaging, educational programs to students that directly link to Science learning in the classroom. Each presentation is designed to enhance student's understanding of science topics with hands-on experiences.

Each year group will be attending a different presentation that is specifically tailored to compliment the specific areas of the Science curriculum students are currently engaging with in the classroom. As well as addressing the content understandings of the curriculum the presentations emphasise science in our daily lives as well as the science inquiry skills of questioning, predicting and communicating.

The cost of the incursion is **\$4.00 per student**. Please forward this to the classroom teacher, or pay directly at the front office. If sending payment to the classroom teacher please ensure it is in a clearly marked bag or envelope. Please forward payment by **Friday July 22, 2016**.

The show will take place in the school undercover area during the day.

Michelle Nash, Assistant Principal
