

Dear Parents

Welcome to Term 4! We look forward to another busy, productive term in Pre-primary.

We are busy finalising preparations for our excursion to Baldivis Children's Forest, on Thursday the 19<sup>th</sup> October. There are a few details that we want to draw your attention to:

- All monies, consent forms and updated medical forms are required to be in by the 12<sup>th</sup> October.
- All student's will need to wear their full Golden Bay school uniform. Please ensure they have the appropriate footwear and school hats.
- Lunch and recess for the day can be brought to school in disposable containers or zip lock bags – this will make it easier for the students on the day. Please ensure student names are clearly visible on these items.
- Ticks: We have had a call from the organisers at Baldivis Forest to say that the tick season has come early. We strongly suggest that you apply preventative creams or sprays before sending your child to school. The staff will have additional sprays available, however we respectfully ask that any allergies are updated in the medical forms sent home.

If you have any further questions, please don't hesitate to speak to your child's teacher.

Thank you for your continued support in your child's education. We are confident that the students will have a valuable and fun excursion at the Baldivis Children's Forest.

Yours sincerely

Cyndi Steel and Laura Hammond  
Classroom Teachers
