

Bandwagon

Bandwagon offers a specialised music subject for students in years 3 to 6. This program is designed to support students in learning and practising a musical instrument in a group setting and developing performance repertoire.

Bandwagon is suitable for students who are committed and enthusiastic to learn and practise a musical instrument. It is a requirement that students involved in the program consistently attend the weekly after school group lesson in their chosen instrument. Bandwagon is offered to students based on their teachers' recommendation and their full participation in the classroom music program.

Students will develop a wide range of skills learning how to play, read, arrange, rehearse and perform music, including effective practise procedures and musical collaboration.

Guitar classes will be on Mondays and keyboard on Wednesdays between 2:45 and 3:45pm. Although there is no cost associated, a high degree of commitment to the course is expected and students involved in the program must be prepared to practise daily.

To be eligible the applicant must complete and submit the attached form. **Please be advised that there are a limited number of places in Bandwagon and that submission of an application form is the initial step in gaining a placement. Successful applicants will be notified**
