

From the Principal's Desk

Dear Parents,

SCHOOL MUSICAL

The countdown is now on to one of our biggest events in the calendar this term - the school musical! The main cast and class songsters are busily finalising the production to be held at Mandurah Performing Arts Centre this Thursday 14 September commencing at 6.30pm.

Tickets can only be purchased at the school so please make sure that you've collected your tickets by Thursday morning.

SCHOOL BOARD

Our school board met last Tuesday evening. The school board considered our student growth and the need to ensure diversity. It was voted that we increase our membership from eight to ten voting members. Currently our board consists of two school staff in addition to the principal and five parents. Please email Peta.Lawrence@education.wa.edu.au if you wish to make a comment regarding this action. I will take any feedback to the next meeting of the board in Term 4.

In regards to the proposed additional positions there is also one known vacancy to be filled for the commencement of the 2018 school year. The nomination for each position will be held in term four with all notifications made via the newsletter. Nomination forms will be sent home to parents with the eldest in each family.

SWIMMING

Our second series of swimming started this Monday with children eager to participate. Please remind your children to bring their towels and bathers home after each swim at the end of the day. This will support us to ensure that everyone comes ready for the start of each day.

END OF TERM

Our school term finishes on Friday 22 September. My sincere thanks to the school board, P&C members, you, and our community for the continued commitment to our school, values and programs.

I wish all families a safe and relaxing break with family and friends. ☺

WEST COAST EAGLES MASCOT VISIT

Our year 2/3 classes had a visit from the Eagles mascot, "RICK THE ROCK" and former player Brad Dalzeil.

They talked the importance of keeping healthy by eating well, drinking water, doing regular exercise and looking after yourself when things don't go your way.

The main message was that diet and exercise are easy to maintain and adjust if necessary but taking care of our feelings is more difficult.

After a group warm up and some important messages from Brad and Rick, we were shown how we could help ourselves when we feel sad or angry. The letters of ROCK were used.

R	RELATIONSHIPS	Talk to a friend or peer about how you feel.
O	OPTIMISM	Always stay positive.
C	CALM	Stay calm. Take some deep breaths
K	KIND	Show respect to those around you. They will show you respect too.

It was a valuable session with an extremely important message.
