

OPEN NIGHT - 2016

20 September 2016

4:30 – 6:30pm

This is an opportunity for your child to share their school work and learning with you between 4:30pm – 6:00pm.

At 6:00pm parents and community members are invited to a community forum with the Executive Team.

Creating Communities and PEET will be in our library during this time to consult with you and your children on the new foreshore park.
