

Dear Kindergarten and Pre-primary parents,

***RE: Class restructure***

Thank you for your support and understanding while I restructured the kindergarten and Pre-primary classes in the first week of term this year.

I have enrolled over ninety new students for the start of the year, with many additional students in kindergarten and Pre-primary. I'm pleased to let you know that we now have two kindergarten and two Pre-primary classes - all with exceptional staff to support your child with their Early Years' experience here at Golden Bay Primary School.

All the kindergarten students from Cyndi Steel's class (groups A and B) will now be attending school each week on Tuesdays and Fridays in addition to Wednesdays on the even weeks of school (Please see attachment). The new arrangements will commence from this Friday 5 February. Kristy King will be your classroom Kindergarten teacher and Michelle Sleiman is the Education Assistant who supports Kristy.

To balance the existing and newly formed Pre-primary classes I will be seeking four students from Tim Tyrie's class to transfer to Cyndi's class which currently has fewer students. I will contact parents individually.

If you need to discuss any of the above arrangements with me please feel free to give me a call. Thanks again.

Yours sincerely,

PETA LAWRENCE
