--

Mark Cain’s World of PVC Music incursion is on Tuesday 15th March 2016.

This incursion celebrates musical discovery using a wide variety of everyday materials to create a wondrous orchestra of innovative wind and percussion instruments. It will focus on hands-on participation, experimentation and musical appreciation. Students will have the opportunity to:

- Gain an insight into how instruments are made and played
- Learn about the science of instrument-making and sound production
- Participate in playing instruments from Mark’s Plastic Fantastic Orchestra.

The show will also provide links to The Arts within the Australian Curriculum.

The cost of the incursion is **\$5.00 per student**. Notes will be going home next Monday and we are seeking payment by Wednesday 9th March 2016. Please encourage all students to bring this in promptly.

The show will take place in the school undercover area. Please be seated ready for the performance to begin at 10.30am. If this is normally your DOTT time the Single Subject teacher will attend the incursion with your class.

Lunch eating time will be at the conclusion of the performance (approximately 11.35am) followed by a 30 minute lunch play. The normal school timetable will resume at approximately 12.05pm.

Thanks everyone.
