

Golden Bay Primary School P&C

Executive Meeting

24th of September

Meeting Opened: 9am

Executive meeting held to discuss and vote on the upcoming disco and foundation family plaques in order for the fund raising committee to move forward with planning.

Executive members present- Tara Vader, Kristin Spicer, Kylie Flannery, Sheree Francis, Tania Styles, Kristy Kable, Eisha Eaton and Elyse Ananin.

School Disco Wednesday 9-12-15

Going over the estimated budget it is decided not to move forward with the take the home bags but to instead offer each child a glow stick on arrival and lolly pop on departure. Also to offer pieces of whole fruit as opposed to cut fruit or fruit salad.

It is suggested we have a door prize instead of a raffle. Increase the price of entry tickets by \$1 each, from \$6 to \$7, then add a raffle ticket/number to each entry ticket and do a door prize for the winning number drawn out at the end of each session.

Motion put forward for the above changes, all agree to go ahead.

Foundation Family Plaques

Tania has received quotes for the plaques, they are 3 x 3 inch brass plaques, Price includes the engraving and the 4 drilled holes in each corner at \$18 + gst each. Tania thinks we should get more information and possibly more quotes before decided on this quote. Both Tania and Kristy to gather further information. We all agree this needs to be done ASAP. We are aiming to have all information finalized and voted on at the first meeting back from holidays on the 19th of October, then sending notes home to all families inviting them to purchase a Foundation Plaque with their family name engraved for \$50 each.

Meeting ends 9.45 am
