

Dear Parents,

***RE: PARENT INFORMATION NIGHT***

Please accept my invitation to meet with Cyndi, your child's classroom teacher on **Wednesday 17 February 2016** for your first information night.

The meeting will be in the classroom and start at 5pm where I'll provide a brief overview for 2016. Following that, Cyndi will share information about the planned curriculum and activities specific to your child for 2016.

Please note – your information night is a different date to that for the rest of the school who are meeting on Tuesday. If you are unable to attend, Cyndi will have little information packs available for you and would welcome a discussion if needed.

Kind regards

PETA LAWRENCE
