My apologies for not being able to attend tonight. I look forward to attending 2018 meetings with you all. Until then I have just listed a couple items P&C related.

1. Quiz Night

Our very first adults only Quiz Night event was an incredible success raising well over \$4000.00 after event costs were taken out. Coordinator Vanessa did a fantastic job running this event as did all her helpers. An adults event each year is something the P&C think is worth doing, the adults had a load of fun and it is a profitable event for us to run.

2. School Ponytails

The P&C now have School Ponytails hair accessories available in the uniform shop on Mondays. These come in our school colours and a percentage of the sales come back to the P&C. This is a fundraiser that will be ongoing.

3. 2018 Contributions- see attached.

At our last general meeting it was voted that as of 2018 two new ongoing contributions be made to the school. Playground Equipment for middle & upper students \$3000.00, to be reviewed on a yearly basis to see if we can increase this amount.

Dramatic Play Equipment \$2000.00

This term we have voted to contribute \$7000.00 as a once off contribution to Playground Equipment for middle & upper students.

There are discussions regarding contributing towards new faction tents, bikes & trikes (awaiting costs), sandpit placement for middle & upper students and signage. These will be discussed more at the next general/executive meetings.

We just held a sausage sizzle at our Arts Exhibition opening night last night which raised \$493.70 after costs to run the event. There are several other fundraisers still running such as Subway, \$1 Fridays, Entertainment Books, Yearly Planner, Yourchange, Cadbury Chocolates and the upcoming End of Year Raffle. Final figures for these fundraisers will not be available until the end of the year.

It has been a very busy year with office bearer changeovers and fundraisers, our members have put in a lot of hours and hard work into their positions and running fundraisers. Next year as well as the fundraisers I hope to work some more on roles & responsibilities to make positions a little easier for members, processes and procedures to simplify the running of events and easier access to sponsorships/donations.
