

Dear Parent

RE: Golden Bay Primary School Connect Community

In 2018 all families at Golden Bay Primary School will be able to access our Connect Community. In the next week you will be sent more information regarding login details and a **Connect Now** flyer. Our Connect Community will be used for general information and individual class information from your class teacher.

Additionally, your child's individual report will be posted to you personally via the Connect Community and will remain there for you (and you only) to access as needed.

Our Golden Bay Connect Community will be an important communication tool for us and will be progressively used more extensively. I ask that you confirm your email address with us to ensure that our records can be correctly populated in to the Connect Community for our school.

Kind regards,

PETA LAWRENCE
